PATIENT FINANCIAL RESPONSIBILITY STATEMENT

Clinical Pediatric Associates files insurance claims for all services with primary insurances. Patients are billed for any remaining balance after insurance processes the claim. Any non-covered services are the financial responsibility of the patient. In the event that payment for a service performed is denied by the insurance carrier, it is the patient's responsibility to pursue action with their insurance carrier, as the policy is a legal contract between the patient and the insurance company. If a patient has no insurance coverage they are financially responsible for all charges incurred.

Please read and initial below confirming that you have been informed of our billing and filing policies:

- _____ Any co-payment/co-insurance and applicable deductible amounts are to be paid at the time of service unless other arrangements have been made with the office.
- _____ Upon receipt of patient payment, the remainder of the bill will be filed with insurance for direct payment to our office.
- _____ It is the patient's responsibility to provide current insurance information at each visit, and any changes to a current policy must be provided before being seen by the doctor.
- _____ If, by mistake, the insurance remits payment to the policy holder, payment is to be forwarded to the doctor from the patient.
- _____ Any amounts or services not covered by insurance are the responsibility of the patient.
- _____ Any changes to the patient's billing address or contact information is to be provided by the patient as needed.
