**Online Patient Portal Enrollment Form**

When you access our patient portal, you can review a complete health information summary for each child in your care, including:

- Most recent physical date
- Upcoming appointments
- Historical visits
- A summary of labs and medical tests
- A problem list, allergy list and medications list
- A complete immunization record that may be downloaded or printed

You will also be able to communicate with our office by sending and receiving secure messages via our portal.

To sign up for access, complete the fields below and return the form to us upon your next visit to complete enrollment. You will then receive an email from us with your login and temporary password.
